Participate in events

Transmit your knowledge

## Participate in events

To take full advantage and enrich the network :

### Preferential gatherings :

- . **Conferences** about technical and/or societal problems.
- . **Afterworks in Paris**, nationally and internationally.

### Regular gatherings :

- . **General assembly**.
- . **Cultural visits** to Paris and surroundings.
- . **ISEP gala**.

## Transmit your knowledge

To enable the exchange between the various promotions :

### Participate in the ISEP cursus :

- . Share your professional experience with the students.
- . Various **workshops** for the preparation of interviews and CV.

### Boost your professional life :

- . **Regional groups** : govern the ISEP network in France.
- . **ISEP International** : increase the influence of ISEP internationally.
- . **ISEP Entrepreneurs** : assist with the creation of takeover of businesses.
- . **ISEP Business Angels** : assist a new business to raise funds (Start Up).
- . **Job platform** : diffuses employment offers specific to ISEP graduates.

## Our mission

### ISEP Alumni, not-profit association, is commissioned :

-  To efficiently federate all generations of students and ISEP graduates.
-  To set up a reliable and effective network to increase the visibility of ISEP diploma recognition.
-  To aid the ISEP students during their studies.
-  To support the graduates throughout their professional life.
-  To represent the graduates on the ISEP board of directors.
-  To promote the engineers status within the scientific French organizations (IESF).
